

Regulation DD-46.0: Public Health

46.1 Public Nuisance

No activities shall be carried out by any lessee/licensee/occupier that shall cause a potential hazard or nuisance to his neighbors and/or public. Such instances could be of air pollution/emissions, noisy operations, improper storage, poor housekeeping, waste discharges, odorous releases etc. All facility operators shall ensure that their operations are carried out safely and in an environmentally sustainable manner with due consideration to their neighbors and public health.

46.2 Prevention of Rodents

At points where pipe works/ vents/ services etc. pass into buildings, maximum care should be taken to ensure that rodents cannot gain access. It remains the responsibility of the lessee/licensee/occupier to maintain regular contracts with service providers to prevent infestations.

46.3 Termites Control

Pre-construction termite treatment is strongly recommended.

46.4 Pet Animals

No pet animals, birds or live stock are allowed to be kept or fed in the area/premises without prior permission from the EHS-Trakhees- PCFC.
