

## CIRCULAR

**To: All Business Units, Developers, Consultants, Contractors  
& Ready Mixed Concrete Suppliers**

---

**Subject: Site Laboratory Certification Program**

---

**Our Ref: CIRCULAR-81269/2011/HB**

---

**Date: 30 May, 2011**

---

Dear All,

Further to the conditions stated in the Building Permit and Construction Materials Quality Control Guidelines (2007 & 2008 edition) which requires the use of approved site laboratory; this is to notify you that TRAKHEES - Civil Engineering Department is conducting a certification program for Site Concrete Laboratories and associated staff. This certification is mandatory for every project in order to ensure continuous compliance with Local Regulations and International Standards.

All consultant, contractor & ready mixed concrete suppliers are requested to comply with this circular. Registration procedure is available online at [www.trakhees.ae](http://www.trakhees.ae) or upon request to [ced.quality@trakhees.ae](mailto:ced.quality@trakhees.ae) in order to guide you through the registration process.

**ENG. NAZEK AL SABBAGH  
MANAGING DIRECTOR - TRAKHEES  
PORTS, CUSTOMS & FREE ZONE CORPORATION**
