

CIRCULAR

To: **All Business Units/Clients/Consultants**

Subject: Circular for Trakhees CED & EHS Joint Permit Services

Date: 01.08.2016

Our Ref: CEDGR-29

As part of continual improvement of business services, Trakhees Civil Engineering (CED) and Environment, Health & Safety (EHS) Divisions are pleased to announce integration of shared Permit services.

Under **Trakhees platform** initiative of 2016, requests for below listed Permit/NOC services can be submitted and processed through a common Trakhees integrated channel shared among CED and EHS.

1. Building Permit
2. Exceptional Study NOC.
3. Infrastructure NOC.
4. General NOC
5. Demolishing NOC.
6. Suspension of ongoing Project NOC.
7. Facilities outside Plot limits
8. Marine NOC.

With effect from **8th August 2016**, joint submissions for listed services can be initiated either Online or at Trakhees CED & EHS Helpdesks in Dragon Mart & Jebel Ali respectively.

Applicants pursuing joint permit approvals can refer joint application forms listing CED & EHS requirements on Trakhees CED website: <http://trakhees.ae/en/ced/Pages/Downloads.aspx>

In pursuit of assuring the highest standards of services from Trakhees CED and EHS Divisions, we look forward for your cooperation and compliance in all our initiatives.

Eng. Abdulla M. Belhoul
Director – Trakhees Civil Engineering Division
Port, Customs and Free Zone Corporation
