

## Preamble

- A. These regulations details the Ports, Customs and Free zone Corporation – Trakhees' standards and requirements to protect people, property, equipment and environment against hazards associated with construction activities in areas under PCFC jurisdiction.
- B. These regulations will be periodically reviewed, updated and made available to users as part of C – Construction Safety Department's responsibility. It has to be noted that the previous identity of the regulations were documented as Construction Safety Regulations (Rev. 01 – Dec'16) and Construction Safety Regulations for Environmental Nuisance 2<sup>nd</sup> Edition (Rev. 00 – Oct'10), thus in the current format it is documented respectively:
- Regulation CS-4.0: Construction Safety Regulations (Rev. 02, Nov'18)
  - Regulation CS-5.0: Construction Safety Regulations on Environmental Nuisance (Rev. 01, Nov'18),
- C. These regulations are distributed electronically through websites: [www.trakhees.ae](http://www.trakhees.ae).
- D. These regulations, having the force of law, are effective from the date of issuance of their current (2018) electronic version / edition; and all stakeholders are obligated to comply with them strictly.
- E. These regulations shall be read in conjunction with all relevant provisions (concerning overall authority of Trakhees - CED Division, sanctions & penalties and enforcement etc.) of Trakhees.
- F. Validity of hard/paper copies of these regulations shall be ensured by way of doing minute checks against their current electronic version, while stakeholders are recommended to refer to [www.trakhees.ae](http://www.trakhees.ae) website for updated versions of these regulations.
