

Environment Permit Application Form

Type of Permit Application (please tick the appropriate box/es)

Harbor/ Open Sea Discharge Permit Air Emission Permit Irrigation Permit

General Information:

Name of the Company : _____

Type of Activity : _____

Plot Location Nubers/s : _____

Free Zone License No. : _____ Date of Expiry: _____

Contact Person : _____

Designation : _____ Contact Nos.: _____

Email Address : _____

Air Emission Permit

- Source of Air Emission: Combustion Source Volatile Organics Source Process Source

- Number of Emission Source/s: _____

- Type of Air Emission Discharge: Continuous Batch

- Number of Hours Operated in a Year: _____

- Combustion Source

Type of Fuel Used _____

% Sulfur of Fuel: _____

Previous Year Fuel Consumption: _____

Fuel Storage Capacity _____

Fuel Storage Type _____

- Documents to be Submitted

Stack Emission Analysis Report from accredited third party laboratory (<http://www.dac.dm.ae>)

Fuel Analysis Report from fuel supplier (if applicable)

Others (if any; as required)

- Minimum parameters to be tested for each type of emission sources (other can be added as required by Inspection Department- Environment Section_

Combustion Source Carbon Monoxide, Nitrogen Oxides, Sulfur Dioxide, Total Particulate Matter

Process Source Minimum parameters shall be based on the type of raw materials input.

Volatile Organics Source Total Volatile Organic Compounds, Total Particulate Matter

Harbor/ Open Sea Discharge Permit

- Discharge Outfall Location: Combustion Source Volatile Organics Source
- Type of Treatment Process: _____
- Rated Capacity of Treatment Facility: _____
- Description of Waste Type: Industrial Domestic Other (Please specify) _____
- Method for Collection/ Storage of Waste: _____
- Type of Treated Effluent Discharge: Continuous Batch
- Maximum Quantity of Discharged Treated Effluent: _____ m³/day
- JAFZA Manhole ID No. (Location Discharge: _____

- Documents to be Submitted
 - Treated Water Analysis Report from accredited third party laboratory (<http://www.dac.dm.ae>)
 - Others (if any; as required)

Irrigation Permit

- Source of Irrigation Water: _____
- Type of Treatment Process: _____
- Quantity of Irrigated Water Discharged: _____ m³/day
- Number of Irrigation Water Storage Tank/s: _____
- Capacity of each of Irrigation Water Storage Tank/s: _____

- Documents to be Submitted
 - Irrigation Water Analysis Report from accredited third party laboratory (<http://www.dac.dm.ae>)
 - Others (if any; as required)
