

## **CIRCULAR: EHS/FZIO/01/11**

TO : ALL ESTABLISHMENTS/CLIENTS/TRADERS OPERATING UNDER TRAKHEES – EHS AREA OF JURISDICTION

Date : 15<sup>th</sup> February 2011

**SUB: OCCUPATIONAL HEALTH AND SAFETY GUIDELINES FOR TRADING IN LASER PRODUCTS**

Lasers are useful devices but can cause serious harm & injuries, if not handled & used properly.

Trakhees-EHS has developed the “Occupational Health and Safety Guideline for Trading in Laser Products” to guide the retailers, distributors and the general public in preventing, any incident (as practicably as possible) that may arise from its use, by setting up controls on the lasers products being traded & sold by clients/establishments/companies operating under EHS-Trakhees area of jurisdiction.

All retailers and distributors of laser products (including bright lights) shall be required to comply with these guidelines immediately with effect from the date of issuance of this circular.

The guideline is available on EHS website and can be viewed and/or downloaded from EHS website [www.ehss.ae](http://www.ehss.ae).
