

**PORTS, CUSTOMS & FREE ZONE CORPORATION
ENVIRONMENT, HEALTH & SAFETY –TRAKHEES**

CIRCULAR: EHS/PM/03/09

Dated: 29th March 2009

**To: All Business Units Of Dubai World, Their Clients , Contractors
And Other Interested Parties Involved In Lifting Operations**

Subject: Implementation of EHS Lifting Equipment Protocol

Environments, Health & Safety-Trakhees-PCFC have launched a new protocol- “EHS Lifting Equipment Protocol” to further enhance safety in Dubai World/PCFC Premises. All Business Units of Dubai world, their clients, contractors and other interested parties must comply with this protocol which will be effective from 1st July 2009, hence all concerned parties are urged to adhere to the requirements of this protocol for enhancing Environment, Health & Safety standards in Dubai World/PCFC jurisdiction.

EHS Lifting Equipment Protocol can be downloaded from www.ehss.ae

Should you have any queries, please contact us at Tel: 04-8068820 or E-mail to EHS.Ports@Trakhees.ae

Sincerely,

A.Nazeer Hussain
