

LETTER OF INTENT

Trakhees Green Building Certification (Existing Buildings / Facilities)

We M/s _____ hereby communicate our intention to carryout auditing and energy efficiency improvement works to our existing facility, the details of which are mentioned below

Facility Name:	Built-up Area (m2):
Facility Age:	Conditioned Area:
Plot No:	Location :

Further, we confirm our understanding and acceptance of the following terms and conditions associated with this service

1. This letter is to show the intent of the organization and is given to CED for information and Registration purposes only
2. Trakhees' Green Building Certification – Existing Buildings is purely an optional service for clients wishing to seek improvements to their existing facilities.
3. In case we wish to seek CED – Sustainability section's services for the review of our Auditing Report / Implementation measures, a fee of 1 Dhs. per Sq.m of the built-up area of the proposed facility would be payable to CED for it. This charge will be effected as follows:

Fee Description:	Approval Green Building Fees
Fee Service Code:	HSSU002

4. Accordingly, the payment advice would be issued by CED for the above service, based on the above

I, _____ of M/s _____ hereby understand, agree to and accept the terms and conditions stipulated above and I am authorized by my company to accept them. Valid Trade license with the authorized signatory details are attached herewith for your records
