

CIRCULAR: EHS/ PM/ 07/ 2010

DATED: 14.10.2010

To: All Tanker Berth Users, Terminal Operators and Contractors

SUBJECT: TANKER BERTH “PERMIT TO WORK SYSTEM” AUTHORIZED SIGNATORIES

All tanker berth users are hereby requested to send the list of authorized signatories who are approved by their respective management to sign on “Tanker berth safe work permit” to EHS. This list is required for issuance of EHS identity cards.

Following details should be furnished to EHS department

1. **List of Issuing Authority:** Name, designation, department, signature, personal photo (.jpg file) and copy of valid EHS tanker berth safe work permit training certificate or the date of training attended.
2. **List of Performing Authority** Name, designation, department, signature, personal photo (.jpg file) and copy of valid EHS tanker berth safe work permit training certificate or the date of training attended.
3. **List of Gas Inspector** Name, designation, department, signature, personal photo (.jpg file) and last valid EHS tanker berth safe work permit training certificate or the date of training attended.

Please note that the prerequisite for Issuing authority, Performing Authority and Gas inspectors who are authorized by the respective tanker berth users to issue on their behalf must have undergone and completed the **EHS tanker berth safe work permit training**. All requirements stipulated in the permit system must be followed to enhance safe and clean working environment. EHS Identity cards will be issued , on payment of AED 50/- per person, for the above mentioned authorized signatories for the sole purpose of verification by the competent authority (**EHS Division**) and the respective tanker berth security personnel.

You are requested to send the above said documents to ehs.ports@trakhees.ae or EHS main office, Jebel Ali, by 15th November 2010.

EHS Identity card requirements will effectively enter into force from **1st January 2011**.

Sincerely,

A.Nazeer Hussain
