

SAFETY CIRCULAR NO: EHS/FP/03/2012
Date: 17th October 2012

TO : All Business Units of Dubai World
Project Managers, Consultants, Contractors

SUBJECT : Non-Compliance with EHS approval- Certificate of Conformity (COC)

It has been observed in the recent past that few contractors/consultants/PMT are not adhering to EHS regulatory requirements with respect to obtaining the certificate of conformity before starting the work under Trakhees jurisdiction. All the contractors/consultants/PMTs are hereby advised to confirm their COC status before submitting any MCC/BCC application to EHS. All the MCC/BCC submissions should clearly verify a valid COC in the EHS check list as required part of the submission process. The submission if not confirm the COC status of the project; will not be entertained for final inspections.

Please refer to the applicability of COC matrix (EHS-CSP-04 - [http link: http://www.ehss.ae/forms/ehs-ppsp-04clientprocedureforehs-nocformodifications&fit-outworksrev.07,28.12.pdf](http://www.ehss.ae/forms/ehs-ppsp-04clientprocedureforehs-nocformodifications&fit-outworksrev.07,28.12.pdf)) which is available on our website for your easy reference & compliance. Kindly make sure that applicability matrix is cross-checked and necessary guidance is obtained from EHS if required, prior to commencing the work.

Any deviation from the above mentioned process will lead to take appropriate action in order to fulfill the regulatory requirements.

All the Dubai World Business Units are required to communicate the same to their clients / consultants / PMT's / contractors for necessary compliance.
